PROFILE

USCG OUPV Captain transitioning into professional charter operations in South Florida after more than 20 years of recreational boating experience aboard powerboats and sailboats. Safety-focused, calm, courteous, and service-oriented, with extensive experience in navigation, docking, anchoring, trip preparation, vessel care, and guest outings. Comfortable assisting both Spanish- and English-speaking guests and prepared for independent charter work.

BOATING BACKGROUND

More than 20 years owning, operating, maintaining, and cruising privately owned powerboats and sailboats in Argentina and Uruguay. Extensive hands-on experience handling vessels ranging from 26-foot single-outboards up to 55-foot twin-inboards. Experienced in close-quarters maneuvering using bow/stern thrusters, IPS drives, and joystick controls.

Background includes coastal navigation, international crossings, regattas, deliveries, extended stays aboard, and comprehensive marina operations.
