

JAVIER ROHR

PRIVATE USCG BOAT CAPTAIN | VESSEL CARE | OWNER SUPPORT

Aventura, FL | WhatsApp / Text: (754) 314-9888 | javier@captainjavier.com

U.S. Permanent Resident | Reliable Transportation | Non-Smoker | No Visible Tattoos

PROFESSIONAL PROFILE

Experienced recreational boater with more than 20 years of practical experience owning, operating, maintaining, and improving privately owned powerboats and sailboats in Argentina and Uruguay. Extensive hands-on experience handling vessels ranging from 26-foot single-outboards up to 55-foot twin-inboards, including close-quarters maneuvering with bow and stern thrusters, IPS drives, and joystick control systems. Experienced in keeping vessels safe, clean, maintained, and ready for use through navigation, trip preparation, preventive maintenance, washdowns, minor repairs, and contractor coordination. Seeking a Private Captain position where vessel care, reliability, owner confidence, and long-term responsibility are valued.

CORE CAPABILITIES

OPERATION

- Docking, anchoring & coastal navigation
- Local vessel movements & deliveries
- Tender, PWC & water-toy operations

OWNER SUPPORT

- Vessel readiness & preventive maintenance
- Trip planning, fueling & provisioning
- Safety and pre-departure checks

VESSEL CARE

- Washdowns, detailing & general care
- Minor repairs & onboard systems checks
- Vendor, boatyard & repair coordination

SELECTED VESSEL EXPERIENCE

Kraken - Sailing Vessel | 2010-2013

Owner/operator experience including coastal cruising, regattas, vessel preparation, maintenance, electrical upgrades, and extended time aboard.

Kraken III - Motor Yacht | 2014-2016

Operated and extensively improved an older motor yacht, coordinating refit work and completing owner-level upgrades and repairs.

Kraken IV - Approx. 50' Motor Yacht | 2017-2020

Owner/operator of a modern twin-engine fly cruising yacht; managed readiness, preventive maintenance, trips, contractors, onboard systems, and extended stays aboard.

Blue Marine - Motor Vessel | 2020-2023

Continued motor-vessel operation, navigation, maintenance, and general vessel-care experience.

OWNER-LEVEL VESSEL CARE

- Prepared vessels for departure: fuel, water, provisions, safety equipment, electronics, and systems checks.
- Performed routine washdowns, detailing, teak care, interior/exterior cleaning, and owner-ready preparation.
- Handled owner-level work involving batteries, pumps, plumbing, fuel filtration, electronics, and general onboard systems.
- Planned priorities, sourced parts, coordinated specialists, reviewed completed work, and kept vessels ready for safe operation.
