Aventura, FL | WhatsApp / Text: (754) 314-9888 | javier@captainjavier.com

U.S. Permanent Resident | EU Passport | STCW | ENG1 | USCG OUPV

PROFILE

Experienced recreational boater transitioning into the professional yachting industry after more than 20 years operating, maintaining, and caring for private powerboats and sailboats. Seeking a long-term position aboard a professionally managed private yacht where I can contribute to deck operations, vessel care, guest support, tender operations, routine maintenance, and technical deck support while learning from experienced Captains and Engineers. My goal is to build a long-term career in yachting by becoming a dependable member of a professional crew and taking on greater responsibilities as my experience grows. Reliable, service-minded, respectful, and comfortable working within a professional crew structure.

CORE CAPABILITIES

DECK OPERATIONS

- Line handling, docking & anchoring
- Washdowns, detailing & teak care
- Vessel preparation & safety awareness

GUEST & TENDER

- Tender, PWC & water-toy operations
- Guest support & trip preparation
- Provisioning & onboard organization

TECHNICAL SUPPORT

- Routine maintenance assistance
- Engine-room housekeeping
- General onboard systems support

MARINE BACKGROUND

Private Power & Sailing Vessels | *Argentina & Uruguay* | 20+ Years

- Extensive practical experience handling vessels and large tenders ranging from 26ft to 55ft, including jet drives, twin-outboards, twin-inboards, and IPS systems. Experienced in joystick maneuvering, docking, anchoring, coastal cruising, sail regattas, deliveries, and vessel preparation for extended stays aboard.
- Maintained and improved privately owned vessels while working alongside marine mechanics, electricians, boatyards, and specialized contractors.
- Hands-on experience with batteries, pumps, plumbing, fuel filtration, marine electronics, generators, and general onboard systems.
- Organized trips, provisioning, safety equipment, vessel readiness, tenders, PWC, water toys, and general onboard care.

SOUTH FLORIDA EXPERIENCE

Bareboat Charter Operator | *South Florida* | 07/2026 - Present

- Operate recreational vessels for local day-charter and coastal-cruise operations, including navigation, docking, anchoring, and pre-departure preparation.
- Provide guest safety briefings and maintain a professional, service-oriented onboard environment.
- Continue building professional South Florida boating experience while transitioning into yacht operations.
